The HAZARDOUS Life of
**BENEDICT
ALLEN**

Explorer, Film Maker,
TV Presenter and Author

“Television’s most fearless man”

THE RADIO TIMES

One of Britain's most prominent & authentic explorers

A new show with in which the audience share his latest stories and clips of his arduous expeditions

Revealing, with his considerable sense of humour, what it takes to survive again and again in jungles, deserts and icy wastes.

He travels without the use of satellite phones, film-crew, GPS or any of the normal Relying on skills learnt from indigenous people, he sets off alone, immersing himself in seemingly hostile worlds.
